Re: Petition of the Wireless Consumers Alliance, Inc.
File No. WT 99-263

Carl Hilliard, Patrick Daniels, Ronald Hoffman, Jonathan Linkous and Kenneth Hardman, representing the Wireless Consumers Alliance, Inc., met on June 16, 2000, with Commissioner Harold W. Furchtgott-Roth and members of his staff to discuss the status of the petition for declaratory ruling. The Alliance representatives briefly reviewed the history of the petition and court proceeding which was the catalyst for the petition and urged the Commission to establish a bright line ruling on the petition so as to provide as much guidance to the courts as possible. A substantial portion of the discussion concerned different measures of damages for tort liability and whether some of the measures would or would not involve a form of rate regulation preempted by Section 332 of the Communications Act.
